## **Notice of IRSS Field Skills Continuing Education Unit (CEUf)**

**Location of Exercise:** Southeast Purdue Agricultural Research Center (SEPAC)  
4425 E County Rd 350 N  
Butlerville, IN 47223

**Date:** Tuesday June 23, 2015

**Time:** 10:00 am & 1:00 pm

### **Outline of activities:**

We will have two soils to describe and a texture exercise. We plan to have a review of both soils to discuss the descriptions at the completion of each session.

This will be a good opportunity for those of you in southeast Indiana or if you are just curious about a unique landscape.

The next opportunity for a field exercise will be in September at the Annual IAPSC Tour.
